WeTHRIVE! IN WYOMING

The City of Wyoming was recognized in 2023 for their 2nd year as a WeTHRIVE! community.

Throughout 2023, the WeTHRIVE! team focused on Social Connectedness through:

- Hosting several free community programming events throughout the summer
- Construction improvements on the Village Green
- Connecting with several community partners to expand the availability and type of programs offered

The WeTHRIVE! in Wyoming team is excited to carry this momentum forward with plans for a mental health fair and summer vendor series in 2024.
