

PREVENT. PROMOTE. PROTECT.

Hamilton County Public Health accepts a variety of health insurance types from many local and national health insurance carriers to best serve our communities.

If you choose to receive services here, and we are **not in network** for your plan, your insurance may deny coverage, and **you will be responsible** for all charges provided outside your network.

Payment of insurance co-pays is expected when you check in for your appointment. HCPH will work with patients needing financial assistance

As of October 2024, these are the plans that we accept:
