HAMILTON COUNTY
PUBLIC HEALTH

PREVENT. PROMOTE. PROTECT.

SOIL & PAINT CHIP LEAD TESTING

WHAT YOU WILL DO:

FOR PAINT:

- Collect a **quarter-size** paint chip from anywhere on your property
- Seal paint chip in a plastic baggie

FOR SOIL:

- Collect **1-2 cups** of soil from your yard
- Allow soil to **dry out** for 2 weeks
- Seal dried soil sample in a plastic baggie

HOW TO DROP OFF YOUR SAMPLE:

- Label baggie with your name, phone number, address, and location sample was collected from the property
- Dropped off sealed & labeled sample at our offices at:

**1701 Patricia McCollum Way, 5th Floor
Cincinnati, OH 45237**

- We will contact you with the results of the test
